Other: Composer, PHPUnit, Redis, Nginx, Apache

---

## PROFESSIONAL EXPERIENCE

### Senior PHP Developer

TechNova Solutions, New York, NY July 2021 – Present

Developed and maintained multiple SaaS applications using Laravel and Vue.js, serving over 30,000 active users.  
Refactored legacy codebases, reducing technical debt and boosting application performance by up to 40%.  
Integrated third-party APIs (Stripe, PayPal, Mailchimp, Twilio) and built custom RESTful APIs for mobile app clients.

Led a team of 4 developers, conducted code reviews, and mentored junior staff in PHP best practices.

Automated deployment workflows using Docker and Jenkins, streamlining development lifecycle.

### **PHP Developer**

BlueWeb Agency, Jersey City, NJ May 2018 – June 2021

Designed & implemented custom e-commerce solutions on top of CodeIgniter and WooCommerce.

Built RESTful web services for integration with front-end (ReactJS) and external systems.

Optimized MySQL queries, achieving an average 30% improvement in response times.

Managed bug tracking and task management through Jira and Trello.

Wrote unit and integration tests, increasing code coverage and reliability.

---

### **Junior PHP Developer**

DigitalNest, Hoboken, NJ Jan 2017 – Apr 2018

Assisted in full-stack development of CMS-based websites for local businesses using Symfony and WordPress.

Implemented user authentication, authorization, and custom plugin features.

Maintained detailed documentation and provided technical support to end-users.

Participated in code reviews and collaborated with front-end designers to ensure optimal UX.

---

## **SELECTED PROJECTS**

Inventory Management System (Laravel, Vue.js, MySQL): Built from scratch for a retail client, reducing inventory errors by 75%.

Real Estate Listing Portal (Symfony, React, AWS): Integrated real-time search, mapping, and user messaging features.

Healthcare CRM (CodeIgniter, PostgreSQL): Secured patient data with OAuth2 integration and custom RBAC policies.

---

## **EDUCATION**

Bachelor of Science (B.Sc.) in Computer Science Rutgers University, New Brunswick, NJ 2012 – 2016

---

## **CERTIFICATIONS**

Zend Certified PHP Engineer  
AWS Certified Developer – Associate  
Laravel Certification (Laracasts)

---

## **PROFESSIONAL DEVELOPMENT**

Regular participant in PHP and Laravel conferences (Laracon US, PHP[World]).  
Contributor to open-source projects (CakePHP, Composer packages).  
Completed online courses on API Development, Modern PHP Security (Udemy, Pluralsight).
